Whereas, These allowable exceptions as construed by the Department of State Highways and Transportation preclude the movement of two forty-foot trailers and one tractor on State highways; and

Whereas, This type of movement is permitted on interstate toll roads in the States of Illinois, Indiana, and New York; and

Whereas, In view of the rapidly increasing containerization of foreign and domestic traffic, it is incumbent upon the State of Michigan to investigate the possibility of handling this type of containerization and thereby facilitate the movement of this business; now therefore be it

Resolved by the House of Representatives (the Senate concurring), That the members of the Michigan Legislature urge the Department of State Highways and Transportation to permit on a restricted and experimental basis, for not more than two additional years, the possibility of the movement of this foreign and domestic traffic in two forty-foot trailer and tractor combinations over certain designated Michigan highways and to work with Michigan industry, shippers, and interested persons relative to an experiment of this type. The Department of State Highways and Transportation shall determine the hours, days, spacing, routes, and speed to be followed; and be it further

Resolved, That a copy of this concurrent resolution be transmitted to the Department of State Highways and Transportation.

The concurrent resolution was referred to the Committee on Roads and Bridges.
